## NOTICE OF ADDITIONAL INFORMATION OF CELLULAR PHONE SERVICE IN EASTMAIN

The **Cree Nation of Eastmain (CNE)** and the **Wabannutao Eeyou Development Corporation (WEDC)** here by announces the availability of 3G & 4G Cellular Phone Services (HSPA) in Eastmain via **Télébec** ([www.telebec.com](http://www.telebec.com)) as the cellular service provider.

WEDC and Télébec are still in the process of opening a locally owned store to sell and service cellular phones within the community. WEDC has encountered a few delays and will be working very hard to try to have the store open by the end of January 2012. This store is still scheduled to be located at 147 Shabow Meskino near the CIBC Bank and Canada Post Office.

If you do not want to wait before we open our local Télébec Mobility store and you wish have an Eastmain cellular phone number (819-977-xxxx) it is possible for you to get one if you:

- Have an HSPA device with a Télébec Phone Number (Chisasibi-Amos-Val d'Or-etc) you can contact Customer Care at 1-888-835-3232 and ask for a "cell phone number change" to an 819-977-xxxx cell phone number (charges may apply).
- Have a CDMA device with a Télébec Phone Number (Chisasibi-Amos-Val d'Or-etc) you must finish your contract first before changing your device to a new one OR buying out your contract. To know your termination fee, you can contact Customer Care at 1-888-835-3232. The CDMA network does not exist in Eastmain; only the new technology (HSPA) is available.

If you currently have a HSPA device with Bell, you are able to transfer your contract to Télébec by going in person to an open dealer store of Télébec Mobility (Chisasibi-Amos-Val d'Or-etc) and asking for a BWA (Bell Wireless Alliance transfer) transfer.
